

# Social and Ethical Impacts of Big Data

Z410/Z604

## Reflection Paper Due 2/23/2023

For this assignment, you will write a 3–page reflection paper consisting of the following four components:

1. Select two readings from 2/1 to 3/1 sessions and write 2–3 paragraphs about what you learned from those two selected readings (e.g., concepts, theories, ideas, implications, applications). Examine why they are interesting to you.
2. Write a 2–3 paragraph critique of the chosen readings. Are there any points where you agree or disagree with the authors? Are there any perspectives the authors neglected? Do you see a point that you want to expand upon? Do you have any ideas you would advise the author to add?
3. Describe your career goals/plans for future: 1-2 paragraphs
4. Discuss how you might be able to relate the lessons from the readings to your work, research, or everyday life in the future: 1-2 paragraphs

### Formatting:

- 12-point font, double-spaced MS Word or PDF file format.
- One-inch margins on all sides.

### Notes:

- In-text citation: If you need to cite anything in the paper, use the APA style.
- At the end of the paper, list the book/article titles using the APA style (on a separate page).
- APA is recommended, but other citation style is also fine. Just be consistent.

### Length:

- No more than 3 pages.

### Submission:

- In PDF
- Canvas
